Footstock is the largest barefoot competition in the world. The two-day, figure eight Championship, held on August 21-22, 2027, draws over 130 of the world's best endurance barefooters from 10 states and 3 countries to Crandon, WI. It is also the largest annual fundraiser for the Crandon Water Ski Club, a youth-mentoring organization and non-profit ski team. All the proceeds from Footstock go to fund the club.
